

FH429 | SIGNATURE CHAIR

FRITS HENNINGSEN

CARL HANSEN & SØN

DESCRIPTION

The FH429 Signature Chair became Fritz Henningsen purest, most pared-down design. His interest in achieving comfort and elegance by using curved lines is apparent. Its soft, inviting shapes and floating armrests create a simple, organic form that calls for quiet contemplation.

DESIGNER

Frits Henningsen (1889–1965) had a more functional design style developed from historically inspired to simpler, timeless work that remains relevant today. His work is rooted in classic craftsmanship with a design expression that has broad appeal – a combination embodied in his Heritage Chair and his final design, the Signature Chair.
