

# PALISSADE CONE TABLE

DESIGN BY RONAN & ERWAN BOURULLEC

**HAY**

- PARTS -

**A** Tabletop x1

**B** Base x1

**C** Washer x1

**D** Allen key x1

**E** Screw x5

Protect the table top from scratches and other damage while assembling.

1.

Place the **A** part on top of the **B** part, inserting the **C** part in between them.

2.

Fasten the screws **E** with the Allen key **D**. Make sure all screws are inserted before tightening them completely.

3.

Done!

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
